

# ATUREX<sup>®</sup> 1210IU Tocopheryl Acid Succinate

## D-α Tocopherol Acid Succinate

ATUREX 1210IU Tocopheryl Acid Succinate is a white to off-white crystalline power with little or no odor or taste, is intended for use as vitamin E in the dietary supplement, food and Pharmaceuticals industry.

### FEATURES

- Outstanding color
- Outstanding antioxidant
- Outstanding smell
- White to off-white crystalline power

### APPLICATIONS

- Vitamin E in the dietary supplement
- Natural antioxidant
- Food
- Cosmetic
- Feed

PROPERTIES	SPECIFICATION	TYPICAL QUALITY
Appearance	White to off-white crystalline power	PASS
Taste	Little or no odor	OK
Absorbance	Maximum absorbance(284nm)35-38 Minimum absorbance(254nm)6.0-8.0	PASS
Heavy metal (Pb)	≤10 ppm	PASS
Acid value	101-108	107.9 mgKOH/g
Sulphated Ash	≤0.1%	0.03%
<b>TYPICAL PROPERTIES</b>		
D-α Tocopherol Acid Succinate	96-102	97.1%
Free tocopherol	≤1%	0.3%
Specific rotation [α] D20°	≥+24°	PASS
<b>HANDLING &amp; STORAGE</b>	In unopened, original containers, 24 months at 2 - 25°C, (see Expiry date on original container)	
<b>CN CODE</b>	2936280000	
<b>PACKAGING</b>	Cardboard drum(25kg)	
<b>HEALTH &amp; SAFETY</b>	Please refer to Material Safety Data Sheet
